Database Diagram

FULL PHYSICAL ERD | 32 current EF Core tables and 9 direct SQL FK links; no fictitious cross-database references

LongevityDietDb | 21 tables | Identity + Planning + Recommendation + FMD

IdentityOutbox
PK Id
EventType
PublishedAtUtc

IdentityInbox
PK EventId
ReceivedAtUtc

UserProfiles
PK/FK UserId
TimeZone
FoodPreference

UserDietaryPreferences
PK UserId
DietaryPattern
AllergiesCsv

RecommendationFeedbacks
PK Id
UserId [logical owner]
FeedbackType
CandidateCode

FmdEducationAcknowledgements
PK Id
UserId [logical owner]
EducationVersion

RefreshTokens
PK Id
FK UserId
TokenHash
ExpiresAt

Users
PK Id
Email
Role

QuietEnd

UserFoodPreferences
PK Id
UserId [logical owner]
FoodToken

FmdSafetyAssessments
PK Id
UserId [logical owner]
ResultStatus

EatingWindowSnapshots
PK Id
UserId [logical owner]
LocalDate
StatusCode

UserNotifications
PK Id
FK UserId
Category
DeduplicationKey

MealReplacementHistories
PK Id
MealPlanId [logical]
PlannedMealId [logical]

MealPlans
PK Id
UserId [logical owner]
Status
TimeZone

MealPlanDays
PK Id
FK MealPlanId
DayNumber
DailyFocusCode

PlannedMeals
PK Id
FK MealPlanDayId
SlotType
CandidateCode

MealLogs
PK Id
UserId [logical owner]
LocalDate
EatenAt

MealLogItems
PK Id
FK MealLogId
FoodCode
ServingAmount

FmdCycles
PK Id
UserId [logical owner]
Status

FmdCycleDays
PK Id
FK FmdCycleId
DayNumber
Symptoms

LongevityTrackingDb | 7 tables | Activity + Adherence

AdherenceScores
PK Id
UserId [logical only]
Score

ScoreDimensions
PK Id
FK AdherenceScoreId
WeightedScore

ActivityLogs
PK Id
UserId [logical only]
Kind
DurationMinutes

ActivityGoals
PK UserId [logical only]
WeeklyMinutesTarget

ScoreConfigurationVersions
PK Version
ActivityWeight
MealWeight

TrackingScoreSignals
PK Id

DIRECT SQL RELATIONSHIPS | Each green arrow joins the real parent table PK to its FK child; PK/FK columns are written inside each card.
Nine enforced FKs, no crossing wires. Logical UserId/cross-database IDs are not SQL foreign keys. The 52-table clinical nutrition extension is future work, not migrated.
